47th Anniversary

ROAD TO
100 YEARS
of
Engineering
Excellence

*Empower the Community through
SCMA visions beyond all limits*

**Saturday | April 27, 2024 -- DoubleTree by Hilton Hotel - Norwalk
13111 Sycamore Drive, CA 90650**

Happy 47th Foundation Anniversary SCMA!

**From: Russel Vilorio & Family
CE' 90, SCMA President 2023 - 2024**

47th Anniversary Celebration

Invocation

Most gracious Heavenly Father, we are gathered here today to celebrate another year of fruitful endeavors, none of which would have been possible without the wisdom and guidance you have given everyone. Once more, we acknowledge the people who shared the same ideals and dedicated their time, talents, and treasures to making this organization succeed and surpass its goals.

We entrust to Your Care our incumbent officers, past leaders, committee leaders, both current & lifetime members, Board of Directors, Board of Advisers, Donors, Sponsors, family members, student scholars, distinguished guests, and friends. We unite to strive toward the common goal of carrying out the missions of Southern California Mapua Alumni (SCMA) both locally and abroad.

Humbled by our past experiences and accomplishments both as a person and as a group, we completely rely on Your guidance as we face another challenging year before us. In the coming years, we desire to focus our efforts on bringing the very best from our constituents, reaching out to like-minded individuals, and tapping into their God-given potential. We want to serve unselfishly to the cause of improving humanity and its environment. As engineers and technologists, we want to explore new ways to maximize our talent and share our ingenuity with SMCA and the larger community of Mapua Alumni.

We acknowledge that all the circumstances in our lives and those of people around us are ordained by You and in loving consideration of Your Son, Jesus Christ. We ask you, Father, to bless this event and inspire us to greater heights beyond our comfort zone, able to touch the lives of people from all walks of life and be better prepared for the endeavors to come.

May our utmost intentions serve everyone, and our faithfulness to the task bring You glory and grant us the common good. As we celebrate the 47th Anniversary of SCMA, cover us with Your peace and safety, and may this event impact our lives even now and in the future.

In Christ's precious name, we pray, Amen.

47th Anniversary & Dinner-Dance Ballroom Event

Theme: SCMA@47TH "Empower the Community through SCMA visions beyond all limits"

PRESIDENT'S MESSAGE

My fellow Mapuans, friends, and distinguished guests, I would like to extend a warm welcome and thank you to each of you for gracing us with your presence tonight. I am pleased to extend a special welcome to all our esteemed members, longstanding supporters of the Southern California Mapua Alumni, and those who have recently joined our organization. We have all chosen to be a part of this organization for a common purpose, to serve and give back to our Alma Mater.

Tonight, as we gather to celebrate SCMA's 47th foundation anniversary, I am grateful for the privilege to serve our fellow alumni, scholars, and individuals who have benefited from our advocacy, I am deeply humbled by the unwavering support you all have extended.

Our event's theme, "**Empower the Community through SCMA Visions Beyond All Limits,**" aligns with our organization's mission to serve and give back to our Alma Mater, Mapua University by providing scholarships to deserving students from disadvantaged backgrounds. Our scholarship program is designed to meet the unique needs of each student and empower them to take control of their development, enabling them to create viable solutions for the challenges they face. To date, SCMA has proudly awarded 47 scholarships to deserving students, most of whom are now successful in their chosen fields. This program's funding wouldn't have been possible without the strong support of the SCMA officers, board of directors, members, and generous sponsors. Moreover, we offer valuable aid in the form of education and training to our fellow alumni, enabling them to achieve their professional objectives and maximize their full potential. Despite challenges, we persevered and remained determined to achieve our goals. Our social activities, such as the dinner dance, family picnic, and Christmas party, have brought our fellow alumni out of their shells and invigorated their support for our goals.

Tonight marks my second year as President of this organization. I vow to continue leading SCMA with integrity and vision, no matter the challenges we may face. Let us unite and become actively involved, for we are stronger when we work together. Most importantly, let's make this organization a channel of empowerment not only for our fellow Mapuans but also for our community.

Thank you, everyone. GOD Bless and enjoy the rest of the evening.

Viva Mapua! TO GOD BE ALL THE GLORY!

Russel Vilorio
President, 2023 – 2024
BSCE '90

Dear Esteemed Members of the Southern California Mapua Alumni (SCMA) and Distinguished Guests,

With immense pride, I extend my warmest greetings on the momentous occasion of your 47th Foundation Anniversary. This milestone celebrates nearly five decades of Southern California Mapua Alumni's unwavering dedication, not just to the engineering and technical fields, but to fostering sustainable socio-economic growth through innovation - a commitment that aligns beautifully with Mapúa University's vision.

As Mapúa prepares to celebrate its 100th founding anniversary in January 2025, we are reminded of our mission as global leaders, empowering individuals and communities through innovation, digital transformation, and lifelong learning. Your commitment to providing free California Engineering Registration review classes, mentoring, networking, and job placement support exemplifies this spirit.

This year's theme, "Empower the community through SCMA's vision beyond limits," perfectly captures this shared mission. By working together, we transcend boundaries and create opportunities that propel societies forward.

The signing of the Memorandum of Understanding between SCMA and Mapúa University, as well as the additional scholarships you offer, is a significant step toward realizing this vision. These scholarship grants are not just financial aid but investments in a brighter future, equipping deserving students with the tools to become future innovators and leaders.

As SCMA embarks on its next chapter and Mapúa approaches its centennial celebration, I am confident that our combined efforts will empower countless individuals, shaping a future defined by sustainable growth and progress.

Please accept my deepest gratitude for your unwavering support and commitment. May your 47th Foundation Anniversary/Dinner-Dance Ballroom event be a resounding success and may SCMA's legacy of achievement and impact flourish for years to come.

Dodjie S. Maestrecampo, Ph.D.
President and CEO

MESSAGE

I wish to congratulate the Southern California Mapua Alumni (SCMA) on the occasion of your 47th Foundation Anniversary.

The Philippine Consulate General in Los Angeles commends you for providing scholarships to deserving students of your Alma Mater in the Philippines and to other schools in Southern California.

The leadership and members of SCMA are praise-worthy indeed for likewise providing free California Engineering Registration review classes, mentorship and networking, and job placement support to disadvantaged individuals in the engineering and technical fields. This is a concrete demonstration of your dedication to give back to society.

Your efforts empower your *kababayans* and shape your communities in a way that benefits the wider society.

I encourage you to continue making a positive impact and assisting individuals in reaching their full potential. Keep striving towards a brighter future for your families, your organization and the Filipino-American community in general, as your contribution is truly invaluable.

Mabuhay!

EDGAR B. BADAJOS
Consul General

5 April 2024

Successful Filipino Entrepreneur in the U.S.

MESSAGE

As members of the Southern California Mapua Alumni, you are bound by more than just shared memories; you are connected by a profound sense of belonging and a commitment to lift each other higher. Today, let's reflect on the incredible power the SCMA possesses as a collective force.

The community we are a part of is not just a network of names and faces: it is a reservoir of knowledge, experience, and support. We all bring unique strengths, talents, and perspectives to the table, enriching the lives of those around us. The true magic of our community, however, lies in its capacity to empower! Together, we have the ability to ignite change, spark innovation, and drive progress. Whether through mentorship, collaboration, or simply lending an ear: each act of kindness and support ripples outward, leaving a legacy of progress to the world.

Let us harness the power of our collective wisdom and experience to uplift not only ourselves, but also those who come after us. Let us be beacons of hope, guiding the next generation toward their own paths of success and fulfillment. Let us continue to build bridges, break down barriers, and pave the way for a brighter future!

Congratulations to the Southern California Mapua Alumni (SCMA) on your 47th Foundation Anniversary and best wishes to everyone!

MESSAGE

Congratulations to the Southern California MAPUA Alumni Foundation on your 47th year anniversary. As a fellow Mapuan, I support your mission of “empowering the community through SCMA visions beyond all limits.” It is truly critical for our community to strive for success in every endeavor we undertake. It is through persistence and hard work that we can fulfill our goals.

That is why we started Philippine Development Foundation or PHILDEV in 2010, with the mission that underscores a steadfast dedication to fostering EDUCATION, INNOVATION, and ENTREPRENEURSHIP. Our goal is to create a future where Filipinos are leaders in science and technology, known for breaking boundaries and pioneering innovation.

Together with SCMA, we hope that our collaborative efforts will enable Filipinos to succeed.

Best Wishes,

Diosdado P. Banatao

Alma Mater Song

Alma Mater, a song from the builders,
You embody the goal to attain,
Hear a song from the hearts of the wielders,
Of compass and transit and chain.

Refrain:

Alma Mater, your name and your story,
We raise our glad voices to thee,
We will strive for the fame and glory, Of
the M and I and T.

We will follow the light and the new prints,
We will trace on the footpaths of arts,
For our land, we the makers of blueprints,
Will struggle to fulfill our part.

Repeat Refrain

When away from your doors have been parted,
Thy sons in the flight of the years,
Still conscious and firm and wholehearted,
We will hail thee with songs and with cheers.

Repeat Refrain

In Memoriam Glorificador Montemayor, P.E., CE '64

ACKNOWLEDGEMENT

The Southern California Mapua Alumni (SCMA) humbly extends its sincerest appreciation to all the individuals who contributed their valuable time, unwavering effort, and substantial resources to ensure the success of our event.

We would like to take this opportunity to express our gratitude to the following donors who generously supported this event:

1. Maria and Donato Banatao, MIT EE '66
2. Delia and Rudy Saturay, MIT AR '69
3. Janina Lyka Baiza, MIT CE '13

We have made every effort to ensure the accuracy of this Souvenir Program. However, if any inadvertent errors or omissions have occurred, we sincerely apologize and appreciate your understanding.

Congratulations

2024 SCMA Guest Speaker

to the Southern California Mapua Alumni on another successful year of fostering connections and furthering the spirit of excellence!

Wishing you all continued success and remember: when you're ready to elevate your endeavors further, reach out to your friends at Capital Holdings, Inc. to support your journey!

New SCMA Lifetime Members

SCMA encourages new members and those renewing their annual membership to sign up as "New Lifetime Members." Lifetime members will be in the SCMA souvenir programs and website and will be eligible to vote on SCMA issues for life. Lifetime Membership represents a commitment to the mission of the association and participation in Alumni Life activities. This program has been well-received, and we are proud to welcome our most recent batch of New Lifetime Members:

Larry Arevalo, EE-85
Ramon Calubaquib, CE/EnSE-76
Sheldon Canonizado, ME-02
Norlito N. San Juan, MIE-79

Jose Capati, CE/EnSE-84
Maria Belen Tupas Mansat, ChE-87
Dominador Mansat Jr., ChE-87

New Batch of Southern California Mapua Alumni (SCMA) Scholars

Last year our four (4) SCMA scholars graduated, so this year we have a new batch of five (5) scholars. Scholarship candidates are screened by the Mapua University CSFA Department based on SCMA's minimum requirements. These include academics, financial need, and essays. The SCMA Scholarship Committee scores, deliberates on, and ranks the candidates to select the new scholars. After executing an MOU with each scholar, SCMA provides \$400 per quarter to Mapua University to be credited to the scholar's student account. The scholars continuously communicate with SCMA.

Alyssa Mae Garcia is a 3rd year Civil Engineering student. She had been a consistent scholar since high school. Alyssa's father passed away in a motorcycle accident in 2022 and her mother is in poor health. *"I would like to deeply express my gratitude upon receiving the SCMA scholarship. This scholarship will be a big help to ease the financial burden of my family. I will assure you that I will do my best, make the most out of it, and dedicate myself to academic excellence."*

Arianne T. Lacson is a 3rd year Civil Engineering student. She is on the Dean's list but being the second of six daughters in a family where the father, a self-employed technician is the sole breadwinner, she has difficulty in continuing with her education. *"I am truly honored and grateful for being selected as an SCMA scholar. Your generosity helps me not to worry about the financial burden associated with my studies, allowing me to focus more on my academic growth. I am committed to making the most of this opportunity and am excited about the doors that the SCMA Scholarship will open for me."*

Lucky Roveel Arco is a 3rd year Electronics Engineering student and is a Dan and Melanie Nable SCMA scholarship adoptee. Lucky is not only a strong academic performer but also a student leader. Since his parents are in their senior years and his father is a pedicab driver, he is haunted with the prospect of halting his education. *"In the midst of uncertainty, this SCMA Scholarship emerged as a beacon of hope and motivation needed to pursue my dreams. I pledge to uphold the values and expectations associated with this prestigious award."*

Jean Adrian Montaos is a 4th year Civil Engineering student. Since childhood, he has been fascinated by the built environment, infrastructure, and the sustainable growth of cities, and this provides him with motivation to excel in his studies. His family's finances constrain his pursuit of higher education. *"Being acknowledged by such a prominent institution as SCMA is a true honor. You can be sure that I will take full advantage of this chance and give back to the community. I appreciate your belief in my potential and investment in my future."*

Paul Jasper Ramos is a 3rd year Mechanical Engineering student. His grade average puts him in the President's List and the Dean's List. His family's financial condition has been severely impacted by Covid-19, so he is trying to finish his education as soon as possible. *"The SCMA scholarship has not only lessened my worries about how I will pay for my tuition fee but also inspired and motivated me to strive hard in my studies. Rest assured that the opportunity you gave me will be well-spent."*

History of Southern California Mapua Alumni (SCMA)

In the summer of 1976, a group of seven Mapua Institute of Technology alumni gathered at Griffith Park, Los Angeles, California, to discuss the possibility of forming an alumni association. Four of these alumni, Raul Domingo, Marte Tobias, Lolita Ramos, and Rudy Jardinel, were Los Angeles County Department of Public Works engineers. They were joined by Rudy Corpuz, Prudy Morales and Roman Aquino. At the time, their main purpose was to help newly migrated Mapuans adjust to life in America and find engineering jobs, especially at LA County Department of Public Works.

In the early fall of 1976, at Ven Mungcal's sister's birthday party in Pasadena, California, the group agreed that Mr. Mungcal invite as many Mapuans as possible to further discuss the formation of an alumni association. In the summer of 1977, the first general membership meeting and family picnic was held at Griffith Park, Los Angeles. Incorporation papers and bylaws were drafted. The new association was named "Mapua Alumni of Southern California" (MASC) and was registered as a tax-exempt non-profit public charitable organization with the California Secretary of State. The association was later re-incorporated as "Southern California Mapua Alumni" (SCMA).

Raul Domingo was elected the first president of the association and served for three years until 1980. The first induction ball was held at the Ambassador Hotel in Los Angeles. Due to lack of funds, the officers paid in advance with their own money as loan to the association. Ven Mungcal was the second elected president and during his term from 1981 to 1982, the association started raising funds to expand its programs to include granting scholarships to needy but deserving students at our Alma Mater, Mapua Institute of Technology, now Mapua University, in Manila. This program, which continues to the present, proved to be the most successful endeavor that the association has undertaken.

The years went by, and as membership expanded, the organization was able to fund more scholarships and help young engineers in their careers through free EIT review classes and networking. The expanded leadership brought in Mapuans with strong devotion to lead with successive association presidents, namely, Glory Montemayor, Marte Tobias, Val Ramos, Robert Magsangkay, Roger Villamil, Red Revilla, Pert Arca, Nene Umali-Irlandez, Edith Garcia-Ramos, Precy Ordinario, Rudy de Torres, Tino Quiaot, Rick Guanio, Joe Rigonan, Tony Ballesteros, Joey Uy, Dan Nable, Glee Quinoveva Quiaot, Cecilia Lopez Brod, Ross Papilla and the current president, Russel Vilorio. SCMA's notable developments over the years include hosting of the MapuaWorld 2002 convention, affiliation with NAMA (National Association of Mapua Alumni), implementation of TOM (The Outstanding Mapuan) award program, formalization of our scholarship partnership with Mapua Institute of Technology (now Mapua University), restructuring of our status as a 501(c)(3) non-profit charitable organization, and modernization of our operations. The Covid-19 pandemic was a big challenge, but new SCMA leaders turned the challenge into an opportunity to adapt and change, so now a revitalized SCMA has emerged, stronger than ever. The future looks bright with a new generation of SCMA officers, with an average age of 43. Their enthusiasm and innovations and the support of the membership propel the organization to a new phase of excellence.

As our Alma mater is preparing to celebrate its 100-year foundation anniversary in 2025 the excitement among alumni is greater than ever. Centennial celebrations are scheduled on January 20-25, followed by the MapuaWorld convention on January 25-30 in Manila. To learn more about SCMA, please go to our website www.socalmapua.org.

New Fundraising Programs of Southern California Mapua Alumni (SCMA)

a qualified 501(c)(3) tax exempt non-profit charitable organization, FEIN 95-4124444-1

SCMA traditionally raised funds only through dinner-dances and golf tournaments. During the Covid-19 pandemic, we innovated and developed new fundraising programs to increase our number of scholars and improve our education/career assistance programs such as our free EIT Review program. The new fundraising programs are quite successful. These are: the Scholarship Matching Fund (SMF) program, the Qualified Charitable Distribution (QCD) program, and the Adopt-A-Scholar (AAS) program. Please consider donating through these programs by visiting www.socalmapua.org and contacting SCMA at 626-227-6109.

Scholarship Matching Fund (SMF) Program

The SMF program was launched on SCMA's Christmas party on December 4, 2021, and was started due to the very low balance of our Scholarship Fund as fundraisers were canceled during the pandemic, whereas the necessity to help our needy but deserving scholars was greater than ever. Donations go solely to the the SCMA Scholarship fund and are fully tax deductible as we are a 501(c)(3) organization. SCMA members (called patrons) who pledge to donate \$500 or more, form the matching fund pool from which other donations are matched. This Matching Fund Program provides a means for donors to share their blessings for the benefit of SCMA's scholars, while having the effect of doubling the impact of their donations. This program is also open to non-Mapuans as donors. The seminal idea for this program was from Joe Rigonan, Jr., PE, ME'62, 2009-2010 SCMA President, and was developed with the past president, Ross Papilla. To date, we have raised \$9,765 and donations are continuing to come in. To date, patrons include Joe Rigonan, Jr., Ross Papilla, Lourdes Cronin, Pete Aguilar, Ben Cubacub, Berwyn Salazar, and Rey Principe. Thank you to all participants for your love and care of our scholars. This program is ongoing, and we welcome pledges and donations throughout the year.

Qualified Charitable Distribution (QCD) Program

The QCD program takes advantage of a law passed by Congress in 1985 that allows recipients of Required Minimum Distributions (RMD's) to donate distributions to qualified 501(c)(3) charities, crediting those distributions toward their RMD, without counting those distributions as income, thereby yielding significant tax benefits for the donors. Only individuals who are 72.5 years old (or 70.5 before 1/1/2020) and have IRA accounts (not 401k or 403b) are eligible to donate via this program. Distributions must be made by your financial institution to a qualified charity such as Southern California Mapua Alumni. Consult your financial advisor to ensure that your donation will yield your desired tax benefit. After the fund is transferred to SCMA, the SCMA president will contact you regarding your preference on how SCMA may use your donation. You may choose for it to go to the General Fund for SCMA's operating expenses or the Scholarship Fund for scholarship purposes only, or both in specified amounts. The pioneer for the QCD Program is Daniel G. Nable, ME'71, MSMT, 2015-2016 SCMA President. Dan and Ross (past president) started discussing and developing this program in late 2021, and Dan was able to donate a substantial amount via this program in February 2022. Thank you, Dan, for your very generous donation. May the Lord bless you and your family more.

Adopt-A-Scholar (AAS) Program

The Adopt-A-Scholar program started when Mapua Alumni and best friends, Cynthia de Leon, PE, CE'70 and Rosalinda Tandoc, PE, CE'66, asked Ross Papilla (past president) during the 45th Anniversary Dinner Dance in April 2022, if they can sponsor one scholar at Mapua University through the SCMA Scholarship Program. As such they became the pioneers of the Adopt-A-Scholar program, which was being formed at that time. Funding for a 4th new Mapua scholar became available and Kyla Athena Bermundo, then a finishing 3rd year CE student, who was next in line subject to funding availability, became their scholarship grantee. Sponsors under this program agree to fund the \$400 per quarter scholarship award that SCMA grants to Mapua scholars. The "special" scholar will bear the name of their sponsor in their grant, e.g., "Kyla Athena Bermundo, a Cynthia de Leon and Rosalinda Tandoc SCMA Scholar. In 2023 and 2024, two other Adopt-A-Scholar grantees, respectively, Nicole Maceda, BS ChE, Cum Laude, and Lucky Roveel Arco, ECE-3 were added, courtesy of their sponsors Dan and Melanie Nable.

THE OUTSTANDING MAPUAN (TOM) AWARDS

The Outstanding Mapuan (TOM) is a joint annual project of the Mapua Institute of Technology (now Mapua University) and the National Association of Mapua Alumni (NAMA), an umbrella organization of alumni associations in the Philippines and abroad.

The TOM project primarily seeks to give due recognition to the alumni of Mapua who have excelled in their profession or vocation, or have made outstanding contributions to the welfare of the school, the community, the country, and/or the world.

The categories of awards include Professional Field of Practice (Architecture, Civil, Chemical, Electrical, Mechanical, Mining, Metallurgical, Computer, Industrial, etc.), Specialized Fields of Endeavor (Academe, Military, Entrepreneurship and Pioneering Endeavor), International Fields Endeavor and Fields of Service (Alumni and Community).

As a NAMA Chapter organization, Southern California Mapua Alumni (SCMA) participates in the TOM project. To receive a TOM award through SCMA, a member should meet certain requirements, be nominated and subsequently approved by the Executive Board per the SCMA TOM Award Guidelines and be accepted by NAMA per the Mapua University TOM Requirements. For more information on the TOM Awards, please visit <https://www.socalmapua.org/tom-awards> and <https://www.mapua.edu.ph/pages/services/alumni/the-outstanding-mapuan-tom>.

This year, SCMA is proud to have a new TOM Awardee, Ross Papilla. Ross received his Bachelor's degree in Electrical Engineering, graduating with Cum Laude and Silver Medalist honors at Mapua in 1975. He taught in Mapua for a year and worked briefly at National Power Corporation before immigrating to the US by joining the US Navy. Ross received his California Professional Engineer (PE) license in 1983. He worked at Southern California Edison for 25 years where he specialized in Automation and Control Systems, became a senior manager, and was granted a full scholarship to obtain his Executive MBA degree from Claremont Graduate University. After Edison, Ross formed and ran his own successful engineering and consulting company for over ten years. Ross is now retired and is spending most of his time giving back to the community. Ross was President of SCMA during the pandemic in 2021-2022, where he led initiatives that grew and revitalized the organization. Ross lives in Southern California with his wife Minda and together they have two children and five grandchildren.

As we approach our Alma Mater's 100-year foundation anniversary in 2025, SCMA is very pleased to pay tribute to our 21 members who have received the TOM Award.

Congratulations to SCMA on its 47th Foundation Anniversary !!!

Greetings from Ross Papilla, PE, EMBA, EE Class '75, 2024 Mapua TOM Awardee. Pictures of my 70th Birthday parties and my father's 98th Birthday party. Top to Bottom, L to R: My birthday party with Friends, My immediate family with 2 children & 5 grandchildren, Cake cutting with my wife Minda, My father Angelo's 98th birthday party, My birthday party with Family, My birthday party at our church, My birthday party with Mapuans, My birthday party with my Tai Chi group, With our Pastor, Fr. Tony Astudillo of St. Lorenzo Ruiz Catholic Church in Walnut. Thank you Lord. My cup is overflowing with all your blessings.

Greetings to SCMA!

Acknowledging the good leadership of our President-Russel Vloria and the great work of his team in continuing its mission of giving back to the community and in strengthening the organization.

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint.

Isaiah 40:31

The dela Cruz Family-2024

THE WHOLE SELF

Pineapple Ceramides

Sustainable extract to brighten, moisturize, and improve signs of ageing.

HAPPY 47th ANNIVERSARY, SCMA OFFICERS AND MEMBERS!

Fifty years ago in the pineapple-rich region of Dole Philippines, our journey began amidst the fragrance of pineapples. We uncovered the skincare benefits of pineapples like ceramides and antioxidants, leading us to create The Whole Self skincare line designed specifically for you. Our mission was to blend nature's elements with advanced science for holistic healing. Our products, from mist to body care, harness nature's renewing power, inviting you to rediscover your inner radiance.

- F** - Fresh and Clean
- O** - Organic
- R** - Restoring

- Y** - Youthful
- O** - Optimum Benefits
- U** - Unique

- Products:**
- Soft Body Lotion
 - Soft Body Scrub
 - SoftBody Wash
 - Freshening Mist
